Health and the Voluntary Sector

What is changing – the context

- Humber & North Yorkshire ICB
- North Yorkshire Health Collaborative
- Local Care Partnerships
- Neighbourhood Health Models

Health and the Voluntary Sector

Opportunities

- More integrated working and partnership
- Greater involvement in planning and designing services
- New or increased funding/contracts
- Stronger recognition of 'wider determinants of health'

Health and the Voluntary Sector

Challenges/Risks

- Capacity and sustainability
- Funding uncertainty
- Geographical challenges
- VCSE voice being sidelined

Practical Inclusion

What does inclusion mean to you? To your organisation?

‘Inclusion’ means helping people to feel that they belong. It’s more than representation, it’s about making sure that people from different backgrounds feel safe, respected and included.

Today’s community focus is the LGBTQIA+ community.

- Do we know what the need is?
- What support is currently available?
- Where do we signpost?
- What barriers are we aware of?
- What successes are we aware of?

The poster features the North Yorkshire Safeguarding Adults Board logo at the top left, which includes a circular emblem with a flower-like design and the text 'All Together Safer' and 'Altogether Better'. To the right of the logo is the text 'North Yorkshire Safeguarding Adults Board'. Further right is the slogan 'Making safeguarding everybody's business in North Yorkshire' and the website 'www.safeguardingadults.co.uk'. The main body of the poster is a light blue rectangle containing three numbered sections: '1) Connection', '2) Prevention', and '3) Confident Practice'. To the right of these sections is a list of bullet points. The entire poster is framed by a decorative border of colorful, stylized human figures.
